FREE SAMPLE / PREVIEW

(with 80 of the 340 pages of images)

**This free sample / preview may not be
modified but it may be shared freely.**

Introduction

Scales and modes are crucial building blocks of western (occidental) music, including blues, classical, country, country-western, funk, hip-hop, jazz, Latin, heavy metal, pop, punk, rap, R&B, reggae, reggaetón, rock, ska, soul, trip-hop, ... and beyond!

Jazzhacker ebooks are practice, study and reference guides for musicians of all skill levels, playing any genre of music. Jazzhacker images feature scale or mode formulas and note references and stylized fretboards showing the scale or mode note locations, all at a glance. Please see [Jazzhacker.net](https://jazzhacker.net) for details.

About the Author

Born and raised in Philadelphia, Pennsylvania (USA), I am a technologist (telecom and storage test engineer), music fan and bass player, living (at the time of this writing ;) in Colorado Springs, Colorado, with occasional extended visits to Puerto Rico. Thanks for checking out my ebooks and apps and please connect via @Jazzhacker on many social media platforms.

Best,

Jeff(rey) Williams
